Online check-in is available for most LATAM flights and can be accessed via the airline's official website or mobile app +1-866-838_4934. This digital option allows travelers to check in from anywhere, whether at home, the office, or on the go, reducing time spent waiting in airport lines +1-866-838_4934. Typically, LATAM opens its online check-in window **48 hours before the scheduled flight departure time**, which is a longer check-in period than many other airlines provide +1-866-838_4934. Adhering to these timelines is essential to avoid delays or denial of boarding +1-866-838_4934.
